Show Synopsis:

A satire of big business and all it holds sacred, *How to Succeed in Business without Really Trying* follows the rise of J. Pierrepont Finch, who uses a little handbook called *How to Succeed in Business without Really Trying* to climb the corporate ladder from lowly window washer to high-powered executive, tackling such familiar but potent dangers as the aggressively compliant "company man," the office party, backstabbing coworkers, caffeine addiction and, of course, true love.
