

## Shenango Rental Fee Structure

### Shared Vision and Priority of Usage:

- 1) **Shenango Area School District Organizations:** Provide ample space for our district athletic and auxiliary teams to practice and train in and out of season at no cost to the programs
- 2) **SASD Affiliates:** Provide an accessible and affordable location for the SAA and similar programs to utilize at no cost to the programs
- 3) **Shenango Community:** Provide facilities where township residents can utilize indoor spaces (courts, track, and exercise room) for free during community hours and at a low cost for community-based events
- 4) **Rental Program:** Allow employees, community members and other individuals/groups to run programs and events at affordable rates, utilizing the spaces when available, and to offset the costs to maintain and operate facilities. Events/programs bringing in non-Shenango students/programs, such as competitions, championships, clinics, and others will follow the following rental fee structures.
  - A. If the program/event exclusively benefits students/programs of the SASD, the **Event Host will be charged a deposit of \$250** (or similar appropriate amount) to reserve and use the facility. The deposit can be used for custodial/maintenance costs, minor repairs as the result of use, or similar district expenses. Unused deposits will be return to the Event Host.
  - B. If the program/event does not benefit Shenango students/programs, or only partially benefits them, the **Event Host will be charged a rental rate based on the Fee Structures outlined below.**
